JOBST® **Online** and **JOBST**® **Delivered**

Ordering and Delivery of Prescribed JOBST Compression Garments

Efficient ordering and fast delivery helps to reduce delays in therapy

Delays in the patient receiving their compression garment can result in the garment no longer fitting and treatment being compromised¹. A **Dispensing Appliance Contractor (DAC)** specialising in compression can help to reduce inaccuracies in dispensing and improve delivery times².

The ordering and prescribing of **compression garments** is sometimes like trying to do a jigsaw puzzle without all the pieces! **JOBST Delivered** and **JOBST Online** can help you put the four puzzle pieces together for efficient ordering and fast delivery of prescribed JOBST compression garments.

Meeting the needs of you and your patients

- Measuring form sent by post or online**
- Prescription sent by post or electronic prescribing system (EPS)**
- Free delivery direct to your patient's home or any other UK address**
- Compression specialists offering support every step of the way**

*From receipt of a complete order, and subject to stock. Majority of orders delivered in 7 working days, data on file.

Choose **JOBST Delivered** for **fast** and **free** home delivery

Let's make the ordering of prescribed JOBST compression garments as simple and hassle-free as possible. **Just complete all 4 pieces of the puzzle for the JOBST prescription order.**

Assess your patient selecting the **compression garment** for their needs

Measure your patient and choose to order by **post** or **online** at **jobstonline.co.uk**

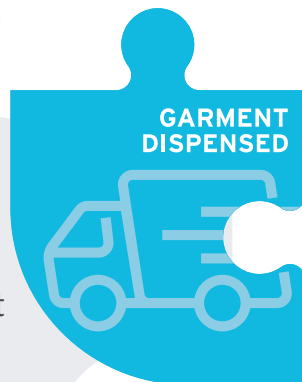

For orders by post fully complete a **measuring form** or for **online orders** enter measurements into **JOBST Online** and select **JOBST Delivered** as dispenser

Complete **prescription request form** with garment description and Drug Tariff codes or **download** from JOBST Online for online orders

Prescriber raises **prescription** and prints or digitally signs for Electronic Prescribing System (**EPS**)

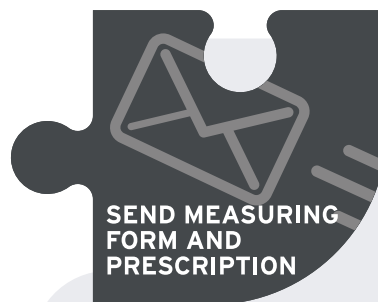

Patient **nominates** JOBST Delivered (Daylong Direct, FJ708) as dispenser of choice for EPS

Prescription and compression garment order checked and **dispensed** by post

Delivered free to your patients home, clinic or any other UK address within 7 working days

For a **repeat order** quote schema number from reorder letter or simply copy order if ordering online - don't forget the repeat prescription!

For orders by **post**, patient sends **measuring form** AND **prescription** to **JOBST Delivered** in **freepost envelope** - prescription not required if using **EPS**

For **online** orders, patient sends **prescription** to **JOBST Delivered** in **freepost envelope** but if using **EPS**, doesn't need to send anything

Go digital and use **JOBST Online**

Bringing you an easier way to order JOBST compression garments. You can order direct with payment by account or on prescription by selecting JOBST Delivered as the dispenser.
